Thank you for your interest in hosting your upcoming golf tournament at the Avila Beach Golf Resort or Blacklake Golf Resort. We appreciate your consideration and would like to take a moment to tell you more about our pristine properties.

AVILA BEACH GOLF RESORT

Opened in 1969 the Avila Beach Golf Resort is conveniently located just three miles off Highway 101 in the heart of the Central Coast. Poised on the curve of the San Luis Bay and adjacent to the beach town of Avila Beach, our secluded property is nestled into the surrounding hills of the ancient Chumash Tribe and the popular fishing destination of Port San Luis. Brilliantly located next to the Pacific Ocean and a quick walk from quaint seaside lodging, upscale restaurants and entertainment, Avila Beach Golf Resort is a picturesque location to host your tournament.

Our Par 71 championship golf course provides challenging play for your guest while they enjoy the gorgeous surroundings. From families of deer & wild turkeys to the occasional red tail hawk, our resort boasts of wildlife. When describing the seaside 18-hole course layout, two distinctive personalities emerge. The front nine seamlessly rolls its way up, down and around the oak lined valleys created by the neighboring hills. The second nine works its way back and forth over the breathtaking estuary, beginning and ending with tee shots overlooking San Luis Creek.

Here at the Avila Beach Golf Resort we pride ourselves on creating a memorable tournament experience for all players that keeps your group coming back for years to come.

BLACKLAKE GOLF RESORT

Located between Santa Maria and Pismo Beach, Blacklake Golf Resort is the Central Coast's only 27 hole golf resort. Each of our three nines offer distinct challenges to golfers of all skill levels. From the lush greens and scenic coastal hills on our original "Lakes and Canyon" layout, to the unspoiled natural beauty of our newest nine, the "Oaks", this is a unique championship golf course.

Blacklake Golf Resort will absolutely test your golf game from the demanding tee shots between huge trees on the Lakes course, to forced carries on the Canyons course to target oriented accuracy which is needed on the Oaks course. You may very well end up using every club in your bag. From short holes to long holes, from elevated tee shots to uphill tee shots, from one beautiful view to another, Blacklake Golf Resort has it all!
